Director Richard Helm
Central Intelligence Agency

Dear Director Helm:

I am in the process of developing a second edition to my book, American Law Enforcement. In this text I have a chapter on "Careers in Law Enforcement" which lists your agency. In my revision I would like to describe your agency relative to its purpose, authority, function, and qualifications for employment. I would certainly appreciate it if you would forward such information at your very earliest convenience since I am working against a schedule developed by the publisher.

If you have any photographs that would adequately illustrate activities of your agency I would appreciate receiving them.

The first edition of this book has already sold more than 5000 copies during its first year. We anticipate sales of more than 12,000 copies of the first edition and 20,000 copies of the second edition. The book has been adopted by more than 40 colleges and universities located throughout the United States.

Your assistance will be greatly appreciated. I shall be looking forward to hearing from you.

Sincerely,

A handwritten signature in dark ink, reading "Vern L. Folley".
